

I count it a blessing of the Lord for my wife Pat, and children. The Lord has been so good to me through my life. I am thankful everyday for Pat who has been with me through it all. He has blessed us with three children, Joe , Jeanie , Joshua to whom we have given back to the Lord , that He would watch over them, save their souls and their wonderful mates. I thank God for my parents and the upbringing that was given to myself ,along with my sisters in the way of the Lord.

It was during 1976 that the Lord was dealing with my heart, and although I was not very quick to react to the gentle prod of the Spirit, He continually dealt with my heart. As time continued to pass I realized one day that the pulling was the strongest I had ever felt. There was a pull I could not outrun. I gave my heart to the Lord one night at home will watching a televised Crusade by Billy Graham.

God began dealing with me with visions, showing me the ministry and what He would have me to do.. As time progressed I finally became active to a point. I was still reluctant to move, then finally it happened, I could not stop even through all the nervousness. The Lord used me for 13 years teaching. I cannot claim that I was the best at teaching, but what a time of learning. The Spirit of God would testify once again to me that the word was truth and where He recorded that He would reveal here a little, there a little, what an amazing time.

In 2004 I was blessed to be a part of a tour to the Holy Land. My wife Pat made a statement that I returned a different man. Before my departure for Israel The Lord spoke to my heart and told me that He would meet me in the Garden. When we got to the Garden of Gethsemane I had developed a pain in my lungs, there in a foreign land I was beginning to suffer from bronchitis. As the tour group prepared to take communion there in the Garden, I felt the pain release, He truly met me that day. But it was there a hunger for the Word developed beyond my understanding.

I received my Minister's License in July 2009 under the encouragement of my pastor, Rev. Scott Isham to whom I give honor. At that time I was given the honor to further serve the Lord, as one of the Associate Pastors of the Shelton Park Church of God.

It has been an honor to be a part of the Shelton Park Church of God all of my life. And to be a witness to the many teachers and preachers of the Word. Thanking God for His mercy and grace in allowing us to be a servant in the Kingdom.
