

Mary Danyi, Director

Hello, I am with Shelton Park Church of God and I will be in charge of the new ministry for the Widows, Widowers, and Divorce people of the Church.

I am a recent widow, John & I were married 42 years, when he was called home to be with the Lord, we were High School sweethearts. It has been very hard for me by myself since our children all live out of town. If it wasn't for the Lord and the truth that the Bible says, "I will never leave you alone," it would be difficult. Yet when I feel down or sad I will start to Praise the Lord or get my Bible out if I can. I know I would never have got through this and be at the place I am now without the Lord helping Me every day. I feel He has called me to do this ministry so I can be there to help other people who are going through the same rough time that I also had. Remember this, That God is always with us no matter what we are going through and maybe with this Ministry, we can all help each other and be there when we are down. We are "NEVER ALONE!"

Deuteronomy 31:8

And the Lord, he it is that doth go before thee; he will be with thee, he will not fail thee, neither forsake thee: fear not, neither be dismayed.

Never Alone Ministries

BECOMING AN OVERCOMER BY GOD'S EVER PRESENT HAND

God is our refuge and strength, a very present help in trouble.
Psalm 46:1

NEVER ALONE MINISTRY SUPPORT FOR:

- WIDOWS, WIDOWERS, DIVORCE
- HELPING ONE ANOTHER
THROUGH DIFFICULT TIMES
- FINDING SUPPORT
- HEALING THROUGH HOPE

Never alone ministries is designed to help those who have gone through the loss of a spouse or even experienced the tragedies of divorce, to gain strength from others who have gone through similar circumstances. We will be periodically meeting together for group functions & prayer to allow the power of God to uplift us together in His fellowship and bring healing.

helping others through the power of fellowship

Widows & Widowers

Often times when someone loses a husband or wife, there is a season that no one really understands except those who have been there themselves. It is never easy to go through these times and no one can take the place of your spouse, yet through the "power of fellowship," with fellow Christians, we can find encouragement to continue. This is one of the main reasons that Paul declared for us to not "forsake the assembling of ourselves together."

Divorce

Divorce is often a difficult subject for many to address. There is not always a simple answer to the difficulties that divorce brings, but there is healing. Jesus is still the chief physician who knows exactly the areas that hurt the worse and knows exactly how to take care of it. As a church family, we join together in prayer & support in order to allow that healing to take place.

JOINING IN FELLOWSHIP

We invite you to come and be a part of our ministry which is an outreach for the purpose of bringing healing through hope. We will be attending & or conducting fellowship meetings, outings, dinners, Christian Music concerts, and support functions that will give you an opportunity to have Christian fellowship with brothers & sisters in Christ who have experienced some of the same difficulties that you have. Often if we have the opportunity to share with those who truly understand, it increases our faith that the same God that has brought them through will also bring you through!

We look forward to seeing you at our next scheduled meeting!
